Dear Resident:

The State of Utah has enacted the Residence Lien Restriction and Lien Recovery Fund Act—Title 38, Chapter 11 of the Utah Code. The Act has two primary purposes: (1) the Act provides qualifying homeowners with protection against mechanic's liens and (2) the Act creates a fund of last resort, the Residence Lien Recovery Fund, to pay contractors and suppliers ("claimants") who are prevented by the Act from recovering through the mechanics lien process.

To recover from the Fund, a claimant must establish that the residence for which services or materials were provided is an "owner-occupied residence." The Act defines an "owner" as a person who contracts with a contractor for construction on or purchase of a single-family or duplex residence. Such a residence become "owner-occupied" if the owner, the owner's tenant, or the owner's lessee occupies the residence as a primary or secondary residence within 180 days from the date construction is or will be completed.

A claimant is providing you with the attached Affidavit because you appear to be the owner of a property for which the claimant has provided goods and/or services. The claimant is required to obtain this Affidavit as part of making a claim for payment from the Lien Recovery Fund.

If you are the owner of the property, please review and complete the Affidavit found on the opposite side of this letter. Please have the Affidavit notarized and return it to the claimant within 30 days of receiving it. Please complete all blanks and provided all information requested on the Affidavit. If you are not the owner of the property, please immediately return the uncompleted Affidavit to the claimant.

Completing and signing the Affidavit will not subject you to liens or obligate you to pay the claimant, but may eliminate the need for you to be subpoenaed as a witness at a deposition or hearing regarding this claim.

Thank you for taking the time to complete, sign, and return the Affidavit.

Respectfully yours,

A handwritten signature in blue ink, reading "W. Earl Webster".
